

MOVE UNITED JUNIOR NATIONALS

Air Gun Qualification Criteria for the 2022 Move United Junior Nationals

The Shooting competition will consist of a 10M air rifle match from the seated, prone position. Personal air rifles must comply with USA Shooting equipment standards. Precision air rifles, shooting tables and spring stands (SH2 only) will be available for athletes. However, shooting jackets, gloves, slings and boots will NOT be provided. Each athlete will compete in a 40 shot qualifying round for their division, with the top shooters advancing to the final, elimination round.

In order to be eligible to register for shooting, an athlete must have previously competed in an approved precision air rifle competition and must shoot a minimum score of 200 pts for a match consisting of 40 total shots for the Open – SH1 – SH2 Divisions and a minimum score of 100 pts for 40 total shots for the SH3 Division. Examples of approved matches include but are not limited to matches conducted through the NRA, CMP, USA Shooting, JROTC, American Legion, Orion League, Adaptive Sports USA (sanctioned level 2 local, regional, national competitions), and high school leagues. If an athlete qualifies to compete at a non-Move United sanctioned event, please email a copy of the match result bulletins from your qualifying competition(s) to jcloy@moveunitedsport.org.

If due to the pandemic attending a sanctioned competition is not possible, an athlete may qualify at a team practice or other event with approval by Move United. See below for rules.

Documentation Required

- Date and time of the session
- RANGE: The range must be 10 meters and set up in a safe location with ballistic backdrop (Please send photo of your range)
- TARGETS: 10 meter NRA targets that are 10 bull targets with 2 middle sighters will be used
- The name(s) of coaches or range officials that can verify your scores.

Match Rules

- The Match / Training Session or Practice must be conducted using Move United Competition Rules.
 - See attachment for 40 shot competition format.
- Coaches are not allowed to coach / Instruct during the match
- All results must be received within two weeks of the event or session.
- All scores and results must be dated from August 1, 2021 through the close of registration for the 2022 Junior Nationals.
- If event results are posted on the Orion website, this would qualify as an event.

Air Gun Qualification Criteria for the 2022 Move United Junior Nationals

Sighter Targets – these are to be used during the 15 minute sighter and preparation time at the beginning of the match. They may also be shot when the targets are changed, but shooters will not be given additional time.

Scored targets – the 10 targets surrounding the sighter targets are used for scoring.

Recommended 10 Meter Air Rifle Qualifying Format

- 15 minutes — Open Range for Warm-up
 - 15 minutes — Setup and Preparation and Sighting Time
- LOAD then START – Dry fire and live fire is allowed.
When you are finished put your ECI in the breech and lay your rifle on the table

Qualifying Round

- 60 Minutes — 2 rounds of 20 shots (1 shot per bull) - 30 minutes per round (PRONE POSITION)
LOAD then START When you are finished put your ECI in the breech and lay your rifle on the table.
