

Please note the following requirements for all Move United Sanctioned Competitions.

Pre-Event

- Move United data collection requirements: Please add the following questions to your 2022 Sanctioned Competition registration forms: [2022 Sanctioned Competition Data Collection](#)

Sport Specifics

- All sanctioned sports must follow national, and where applicable, international rules and regulations. You can find links to these rules and regulations on the Move United website under the applicable sport. <https://www.moveunitedsport.org/sports>
- Onsite Assistance: If you would like to request onsite assistance from a Move United sport lead or meet management expert, please contact Jessie Cloy (jcloy@moveunitedsport.org). Deadline to request Onsite Assistance 2/4/2022.

Covid Plan

- All Sanctioned Competitions are required to create and share a Covid action plan. Please email your completed Covid action plan to Ashley Fallaize (AFallaize@moveunitedsport.org).

Membership

- All organizations requesting sanctioning of their 2022 competition must be current members of Move United. If you are not a current member, please contact Dana Dodge (DDodge@moveunitedsport.org).

Insurance

- All sanctioned events are required to have liability insurance of \$1,000,000 per occurrence limit and \$2,000,000 aggregate limit.
 - If your insurance is through Move United, request your Certificate of Insurance at <https://www.moveunitedsport.org/membership/insurance/> and forward a copy to Ashley Fallaize (AFallaize@moveunitedsport.org)
 - If your insurance coverage is not through Move United, please send a Certificate of Insurance, with Move United named as an additional Insured, to Ashley Fallaize (AFallaize@moveunitedsport.org) no later than 30 days prior to the event.

Events Utilizing Move United Insurance

- **Incident Report Form**
 - An Incident Report Form should be present at the event to document any accidents or injuries. This form is available online at <https://www.moveunitedsport.org/membership/insurance/>

- A hard copy can be requested from Ryan Semke (rsemke@moveunitedsport.org)
- **Release of Liability Waiver and Media Release**
 - All staff, athletes, officials, coaches, classifiers, and volunteers (both day of and on-going volunteers) at Sanctioned Competitions will be required to sign the Move United Release of Liability and Media Waiver (optional).
 - We have discovered that the most efficient way to secure signed releases is to embed the online link into the registration confirmation.
 - A hardcopy of the form is also available upon request from Ryan: rsemke@moveunitedsport.org

Athlete Safety

- Event staff and officials need to be SafeSport certified and complete and pass a criminal background check once every 12 months. Note: This requirement does not apply to day of volunteers.
- The organization hosting the event should ensure compliance of these sport protection policies and keep copies of certificates and results of background checks.
- If you need assistance with SafeSport training, please reach out to Ryan Semke (rsemke@moveunitedsport.org)
- For background checks, we recommend the National Center for Safety Initiatives (NCSI). A discount is available through Move United. Cost is dependent upon product selected. If interested, please contact Ryan Semke (rsemke@moveunitedsport.org)

Branding

- Please prominently display the Move United Sanctioned Competition logo on your competition's marketing materials, registration, and website and through social media. The logo is intended to be a benefit to you for greater event recognition with the affiliated Move United brand. If you need a copy of the Move United logo, please contact Ashley Fallaize (AFallaize@moveunitedsport.org).
