Move United Waiver Policy

Move United Waiver Policy – Use and Instructions

All staff, participants, instructors and volunteers are required to read, sign and date a Move United Waiver & Release of Liability Form at least once annually. Anyone who does not sign the liability waiver cannot be permitted to participate. View the Waiver and Release Risk Alert

Members participating in the Move United insurance program must use the current waiver provided to them by Move United to help ensure they are properly protected. Please contact Ryan Semke rsemke@moveunitedsport.org if your chapter does not have a current waiver.
