

July 16-22, 2022

To ensure the safety of the Move United Junior Nationals community consisting of athletes, coaches, officials, classifiers, staff, volunteers, supporters and spectators, COVID protocols and prevention measures will be put into place to reduce the risk of acquiring COVID-19.

No plan can guarantee that an individual will not contract COVID-19. These protocols and prevention measures are intended to mitigate the spread of the virus but not guarantee individuals will not be exposed to or contract COVID-19. Move United and our event partners are committed to minimizing the risk to allow for a safe, fun, and competitive experience for the community. It is the responsibility of everyone onsite to protect their own health, as well as the health of the community.

The protocols in this document contain guidance from various sources to include the Centers for Disease Control and Prevention (CDC), state and local regulatory agencies, Children's Hospital Colorado and the local venues. Please note these protocols will change as state and local regulations change. Final information will be relayed one week prior to the start of competition.

For those traveling from outside the Denver Metro Area, please follow CDC guidance for Travel during the COVID-19 Pandemic. Check for any travel restrictions before travelling to and from the event. Please note Metro Denver is 5280 feet in elevation. Please note [Colorado altitude and climate tips](#) to minimize those health concerns in addition to COVID-19.

## EVENT VACCINATION POLICY

Move United recommends athletes, coaches, spectators, and day of event volunteers be fully vaccinated prior to arrival at the Move United Junior Nationals. Event Management, to include the Move United staff, Local Organizing Committee members, and national support team members made up of sport leads, officials, classifiers, logistics team, and administrators are required to be fully vaccinated and to provide proof via online portal prior to arrival onsite. Fully vaccinated is defined as 2 doses of Pfizer or Moderna or 1 dose of Johnson & Johnson. Boosters are recommended.

Masks are recommended for all onsite. Mask mandates will be in accordance to the state and local regulations during the time of the event and updated in July of 2022. It is important to understand that this event utilizes public venues and that both vaccinated and unvaccinated individuals will therefore be present. Move United reserves the right to update these policies at any time in response to the changing pandemic conditions.

# GENERAL EVENT PROTOCOLS

## When NOT to attend and/or participate:

If an individual, regardless of their affiliation with the event, experiences any of the following, do not attend and/or participate:

Has tested positive for COVID-19 within 10 days of the start of competition.

Is awaiting COVID-19 test results.

Has a fever or it has been less than 24 hours with no fever without the use of fever reducing medicine.

Has other persisting symptoms common to COVID-19 (difficulty breathing, cough, body aches, etc.).

Has new symptoms common to COVID-19 (difficulty breathing, cough, fever greater than 100.4 F, loss of taste/smell, etc.).

Has been exposed to someone with known or suspected COVID-19 infection within 10 days of the start of competition.

Has recently traveled to an international location with widespread ongoing COVID-19 transmission as determined by the [CDC](https://www.cdc.gov) or traveled on a cruise ship or river boat.

## Sickness Protocol

1. Follow [CDC guidance](https://www.cdc.gov) if symptoms develop. Utilization of the [CDC's Coronavirus Self-Checker](https://www.cdc.gov) is encouraged.
2. Individuals who become symptomatic must immediately self-isolate and seek a PRC test. Individuals are responsible for the cost of testing, as well as the costs associated with any recommended quarantine.
3. Report known cases of COVID-19 to [rsemke@moveunitedsport.org](mailto:rsemke@moveunitedsport.org) or 240-268-5370 (call only, no text) within 24 hours of a positive test result.
4. Participants may return to participation once proof of a negative test result is provided to [rsemke@moveunitedsport.org](mailto:rsemke@moveunitedsport.org) or 240-268-5370.
