

2023 Move United Education Conference

Louisville, Kentucky

May 15 – 17, 2023

DISABILITY INCLUSION IN SPORT: TRANSFORMING INTENT TO ACTION

This year's theme, "Disability Inclusion in Sport: Transforming Intent to Action" invites sport providers, sport professionals, and athletes to come together over a mutual interest in elevating sport opportunities for athletes with disabilities. Discussion will center around affecting measurable change and creating longstanding impact in adaptive sports. Sessions offered during this event will fall under one of the following categories.

- Equity in Sport
- Program Development and Management
- Emerging Technologies
- Sport-Specifics

CONFERENCE INFRASTRUCTURE:

- **Pre-Conference Workshops**
 - These workshops require sign-ups in advance. While they are free to attend, a deposit will be required to secure your spot. The deposit will be refunded post-event upon attendance of the workshop.
- **Conference Session/Workshops** (60 or 90 minutes, during the main conference May 16-17)
- **30-minute Talks** (i.e. TED talk format, during the main conference May 16 or 17th)
- **Poster** (displayed May 16-17)
 - 36"x48" poster display of current research relating to the conference narrative
 - The purpose of the poster session is to provide opportunities for conversations, shared ideas, and networking between authors/presenters and attendees.
- **Exhibitor Hall** (May 16 - 17)
- **Networking Events**
 - Outlined in agenda below
