At Eagle Sportschairs, we take pride in manufacturing advanced recreational and elite competitive sports wheelchairs. Every Eagle sports chair is custom built for you. We do not stock wheelchairs or their elements. We start from scratch every time and that allows us the greatest range of design and style available anywhere. As a manufacturer we offer the best selection and price on all parts and supplies from accessories like tires, tubes and wheels. We are always seeking the newest products to enhance your performance. Whether you push your racing wheelchair around the world, play basketball, rugby or tennis, golf, fish, hunt, want a day at the beach, or just want a true performance wheelchair we have the right equipment for you!
