**SANCTIONED
COMPETITIONS
2025**

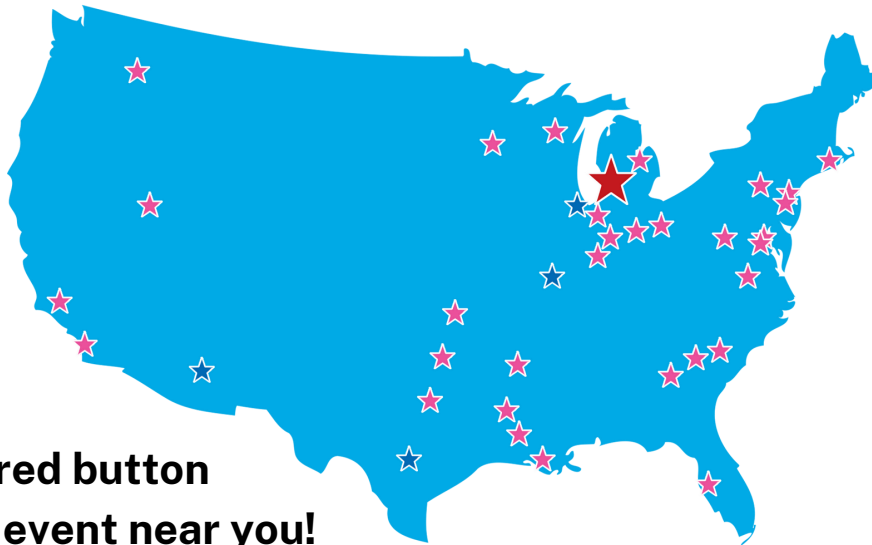

Sport has the power to change the world, pushing people further and bringing people closer. Competition builds character, developing in athletes the dedication, self-confidence, and resilience that translate to all areas of their lives. Move United Sanctioned Competitions are among the best adaptive single and multi-sport competitive events in the United States and are sanctioned by both Move United and applicable National Governing Bodies.

This sanction represents a commitment to follow national and, when applicable, international rules and to provide a safe, positive environment for athletes, volunteers, officials, coaches, and spectators. In 2025, the Move United Sanctioned Competition network will serve over 2,500 athletes of all ages and performance levels, including new athletes, Paralympians, and Warfighters. Among the competitions are five premier sanctioned events that are part of The Hartford Competition series. These events include custom equipment donations, the Human Achievement Award, and meet and greet with champion Para Athletes.

All Move United Sanctioned Competitions are qualifiers for The Hartford Nationals conducted by Move United, scheduled for July 11-17, 2025, in Grand Rapids, MI. Move United Sanctioned Competitions are an integral part of Move United's community-based adaptive sports movement, committed to leaving no one on the sidelines.

Looking forward to pushing what is possible together in 2025!
