

# A Growing Movement

Move United Group Membership Report  
*2026 Executive Summary*

# Top 5 Insights

## 1. Massive Collective Impact

Over \$226 million invested annually to transform more than 131,000 lives through adaptive sports nationwide.

## 2. Strong Commitment to Veterans

88.5% of organizations actively serve veterans, collectively reaching approximately 24,000 veterans and military members annually, demonstrating profound dedication to those who served our nation.

## 3. Youth Development Leadership

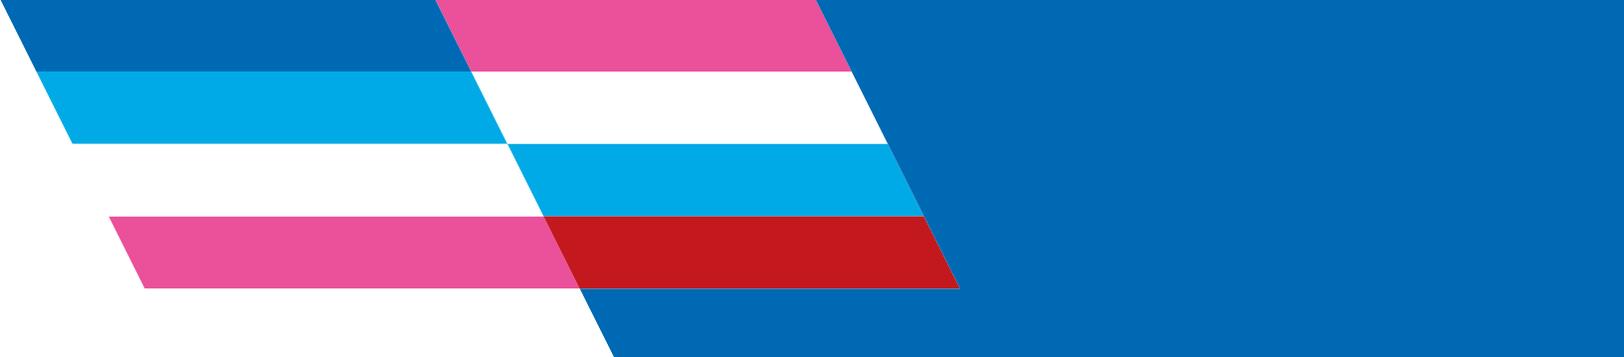

90% of organizations serve youth athletes (26 and under), reaching approximately 52,000 young people annually and building the foundation for lifelong adaptive sports participation.

## 4. Exceptional Volunteer Mobilization

The 245 organization network engages over 47,000 volunteers (95% of organizations utilize volunteers), contributing an estimated \$39.6 million in donated services annually.

## 5. Strong Member Organization Affinity

Of the 245 Move United member organizations, 85% provided real data to support this report.

# To Our Partners
