The Hartford and Move United are proud to recognize athletes who go beyond the competitions — those who lead with determination, uplift their communities, and exemplify the life-changing power of adaptive sports.

### The Hartford Human Achievement Award

A \$2,500 award honoring a competing athlete, nominated by their peers, who serves as an advocate for the adaptive sports movement and inspires others as a role model. One recipient will be recognized at each of the five The Hartford Competition Series events.

### The Hartford Athlete Equipment Grant

Having the right equipment is a game changer. This grant provides up to \$5,000 in adaptive sports gear to help athletes participating in the series pursue their goals and reach new heights — on and off the field of play.

### New this year!

Free, limited-edition collectors pins. Compete at all five events to complete your collection!
