

ADAPTIVE CYCLE CLINIC

SATURDAY, MAY 20, 2023

SESSION 1: 1PM-2PM
SESSION 2: 2PM-3PM
SESSION 3: 3PM-4PM

SOUTHERN CONNECTICUT STATE UNIVERSITY
MOORE FIELD HOUSE
125 WINTERGREEN AVE., NEW HAVEN, CT

EVENT INFORMATION

The Gaylord Sports Association, Bike-On and Ti-Trikes are teaming up to bring back our annual Adaptive Cycle Clinic! This clinic will provide an opportunity for individuals with a physical disability to learn about and try adaptive cycling. There will be dozens of adaptive cycles to explore including foot-pedaled trikes and hand cycles. Participants will be able to work with adaptive cycle experts and be fit to a cycle that works with their ability level. The event will be held at the Moore Field House and participants will be able to test ride cycles on the indoor track.

REGISTRATION

There is no cost to attend, however registration is required. Participants will be scheduled for one of three sessions:

1 PM - 2 PM
2 PM - 3 PM
3 PM - 4 PM

To register, please call the Sports Association at 203-284-2772 or email sports@gaylord.org

ABOUT THE GAYLORD SPORTS ASSOCIATION

The Gaylord Sports Association is dedicated to improving the lives of individuals with physical disabilities through adaptive sports and recreation. We are part of Gaylord Specialty Healthcare, a rehabilitation focused, nonprofit health system headquartered in Wallingford, CT that provides inpatient, outpatient, and physical therapy services for people at every point in their journey from illness or injury to maximum recovery.
