

**TRI.**

Therapeutic Riding, Inc.

## Southeast Michigan's premiere center for adaptive horsemanship

TRI has provided professional horsemanship training for over 38 years. Our certified coaches and instructors train persons with disabilities and other challenges in

- para-dressage
- equestrian sports
- adaptive horsemanship
- grooming and groundwork

as a competitive sport or as a recreational activity.

## Our Services

### → Adaptive Horsemanship

No horse experience? No problem! TRI has the experience, horses, volunteers and adaptive equipment to help you discover your inner equestrian.

### → Equestrian Sports

Our certified instructors and coaches help you achieve your personal best as well as your competitive best in local and regional shows.

### → Para-Dressage

TRI is a United States Equestrian Federation (USEF) Center of Excellence, providing coaching, classification and specialty clinics with nationally acclaimed Paralympic trainers.

### → Equine Groundwork

Not ready for the saddle? At TRI you can find your ZEN while learning a vital part of equestrian life. Learn grooming, tack, leading, nutrition, stable management and so much more.
