# ABOUT WARFIGHTER SPORTS

Warfighter Sports, a program of Disabled Sports USA, offers sports rehabilitation for wounded warriors with permanent physical disabilities in military hospitals and communities across the U.S. in partnership with a nationwide network of over 125 community-based chapters. Since 1967, Disabled Sports USA has proudly served wounded warriors, including those injured in the Iraq and Afghanistan wars, offering over 50 winter and summer sports at more than 100 events each year. Warfighter Sports rebuilds lives through sports by improving self-confidence, promoting independence and uniting families through shared healthy activities.

Contributions cover all expenses for participation of the warrior and a family member, including individualized adaptive instruction and adaptive sports equipment. Since 2003, more than 12,000 of the most severely wounded and their families have been served, including those with amputations, traumatic brain injury, spinal cord injury, visual impairments, and significant nerve and muscle damage. For more information, visit [warfightersports.org](http://warfightersports.org).

## CHALLENGE MAGAZINE

Challenge Magazine is a publication of Disabled Sports USA, providing adaptive sports information to adults and children with disabilities, including those who are visually impaired, amputees, spinal cord injured (paraplegic and quadriplegic), and those who have multiple sclerosis, head injury, cerebral palsy, autism and other related intellectual disabilities. From those learning adaptive sports for the first time to disabled athletes on the US Paralympic team, Challenge Magazine encourages anyone with a disability to participate in sports!

Sign up for your free subscription of Challenge Magazine at [challengemagazine.org](http://challengemagazine.org)!

*This resource booklet may not include every adaptive sports organization available to veterans. This booklet should not be seen as an endorsement of the included organizations by Disabled Sports USA.*

Disabled Sports USA maintains a comprehensive list of adaptive sports equipment suppliers here: [disabledsportsusa.org/sports/adaptive-equipment](http://disabledsportsusa.org/sports/adaptive-equipment)

## APPLYING FOR ADAPTIVE EQUIPMENT THROUGH THE VA:

As a wounded service member, you may be eligible for adaptive equipment through the VA, whether you are active duty or a veteran. The following is a brief guide to navigate the process for receiving adaptive equipment.

- 1.** Register through the VA. <http://www.vba.va.gov/bin/21/compensation/index.htm>
- 2.** Identify your interests. The process can move more quickly if you already have documentation of participation and trials of several pieces of adaptive equipment to know which one works best for you.
- 3.** Consult your primary care provider. They will help initiate this process and make referrals as needed. Medical clearance is required.
- 4.** Get a full evaluation. Typically done through the rehabilitation department, this assessment includes education and identification of adaptive equipment as it relates to your specific physical needs and interests.
- 5.** Identify Appropriate Equipment/Submit Request. Based on the evaluation, you and your rehabilitation team will select equipment to accommodate your needs. Next, a formal request will be submitted for final approval.
- 6.** Receive your equipment. Final fitting and adjustments are made when equipment is issued.

# COMPETITION & PARALYMPIC DEVELOPMENT

## DEVELOPMENT OF ATHLETES

For Disabled Veterans and Members of the Armed Forces interested in pursuing competitive opportunities or Paralympic sports, the pathway can vary by sport. Learning about US Paralympics, and the sports specific standards, rules, and competitive pipeline is a great way to start your journey. Through Gateway to Gold and similar initiatives you can register your results and enter the system.

Gateway to Gold Pathway: [teamusa.org/us-Paralympics.gateway-to-gold](https://teamusa.org/us-Paralympics.gateway-to-gold)

Begin by training with a qualified coach. Your coach does not always have to have Paralympic or adapted sports experience. Disabled Sports USA's Adapt2Achieve training and education program can provide you coaching support for clubs and instructors.

## CALENDAR OF COMPETITIONS

To find sanctioned regional and national multi-sport adaptive sports competitions, please reference the calendars below:

## VA TRAINING ALLOWANCE

The VA National Veterans Sports Programs & Special Events Office provides a monthly assistance allowance for Veterans with disabilities training in Paralympic sport, as well as certain Veterans with disabilities selected for competing with either a service-connected or non-service connected disability if the Veteran meets the minimum performance standards or higher (i.e., Emerging Athlete or National Team) in his or her respective Paralympic sport at a recognized competition. In addition to meeting the performance standard, an athlete must also be nationally or internationally classified by his or her respective Paralympic sport federation as eligible for Paralympic competition in that sport.
